Agenda No. 6
07/23/13

**Re: Ordinance Amending Title 22 – Planning and Zoning of the
Los Angeles County Code to Allow Ambulance Service
Facilities in Certain Commercial and Industrial Zones in the
Unincorporated Areas of Los Angeles County**

Dear Supervisors:

Your Board previously conducted a duly-noticed public hearing regarding the above-referenced ordinance amending Title 22 – Planning and Zoning of the Los Angeles County Code related to the permitted and conditional uses of ambulance service facilities in certain commercial and industrial zones, and the development standards for these uses. At the conclusion of the public hearing, you indicated an intent to approve the ordinance and instructed our office to prepare the final ordinance for your consideration. Enclosed are the analysis and final ordinance.

Very truly yours,

JOHN F. KRATTLI
County Counsel

By 
JILL MCKONES
Deputy County Counsel

APPROVED AND RELEASED:

RICHARD D. WEISS
Chief Deputy

ORDINANCE NO. _____

An ordinance amending Title 22 – Planning and Zoning of the Los Angeles County Code related to the permitted and conditional uses of ambulance service facilities in certain commercial and industrial zones, and the development standards for these uses.

SECTION 1. Section 22.08.010 is hereby amended to read as follows:

22.08.010 A.

...

-- "Alley" means a public or private right-of-way less than 40-feet wide which affords a means of vehicular access to the side or rear of properties abutting a street or highway.

-- "Ambulance emergency services facility" means a facility operated by a non-public agency where ambulances are located and dispatched for the purpose of responding to emergency calls received from public agencies. Such a facility may operate 24 hours a day and may include sleeping facilities, a locker room, restrooms with showers, and a lunchroom. Ambulances shall not be washed or maintained at any such facility. For purposes of this definition of ambulance emergency services facility, ambulance shall be as defined in County Code Section 7.16.010.B; public agency shall be as defined in County Code Section 7.02.280.

-- "Ambulance services facility" means a facility operated by a non-public agency where ambulances or ambulettes are located and dispatched for the purpose of responding to emergency and non-emergency calls from public agencies or any other

individuals or entities. Such a facility may operate 24 hours a day and may include sleeping facilities, a locker room, restrooms with showers, and a lunchroom. Ambulances and ambulettes may be washed and maintained at any such facility. For purposes of this definition of ambulance services facility, ambulance shall be as defined in County Code Section 7.16.010.B; ambulette shall be as defined in County Code Section 7.17.010.A.

...
